Dear Sir and Madame,

On behalf of Herbison Welding Ltd. we would like to recognize the outstanding work that Thomas Wright has demonstrated.

A couple weeks ago Thomas was informed of our short timeline for the completion of the commercial policy and automobile policy that we have through Tredd and Sovereign. The deadline was of great importance to our business being that we are currently on the preferred vendors list for several companies that we work for. We were impressed by how efficient and prompt Thomas sent out our policy package.

Throughout this time he displayed his diligence by communicating clearly, maintaining constant contact with myself of the status of our policies and reassuring us on the progress.

Not only was Thomas pleasant to talk with over the phone and to communicate through email but he was informative and ended each conversation asking if there were any questions or anything else he could do.

Because this experience was so stress free we look forward to working with him in the future. We would recommend him to other businesses because of the quality of service we received.

Thank you Thomas Wright for making this all happen!
